

Professional Biography – Profile

George A. Williams

George Williams is the Chief Executive Officer (CEO) for PMI Energy Solutions, LLC. As the CEO of PMI Energy Solutions, LLC, Mr. Williams is responsible for electrical construction and maintenance services in the utility industry. Services include storm restoration, directional boring overhead & underground electrical distribution and fiber optics installations.

With 27 years of experience in the electric utility industry, Mr. Williams began his career with PMI Energy Solutions, LLC after serving as Chief Operating Officer (COO) for El Paso Electric Company. As the COO, Mr. Williams oversaw the generation, construction, transmission & distribution, system operations, environmental, health & safety, and outage and emergency response. El Paso Electric provides electricity to customers in Western Texas and Southern New Mexico. He came to El Paso from ComEd, where he served for three years as Senior Vice President of Operations. ComEd is a unit of Chicago-based Exelon Corporation, which delivers electricity to approximately 3.8 million residential and business customers in Northern Illinois. He has also held various executive and senior operational positions with Entergy, PPL Susquehanna, Progress Energy, and PECO Energy.

Mr. Williams has appeared three times on the prestigious 50/100 Most Important Blacks in Technology list (in 2005, 2006, and 2008) in U.S. Black Engineer & Information Technology magazine. He has been selected as one of Chicago's Interesting Personalities in Who's Who in Black Chicago, recognized by Diversity MBA Magazine as a 2008 Executive Leader and the Chicago United 2009 Business Leaders of Color.

Mr. Williams is a member of the Board of Directors/Trustees for Underwriters Laboratory (UL). He is also an active member and board member on numerous civic and professional organizations including American Association of Blacks in Energy (AABE), Chairman of the Board, Illinois State Black Chamber of Commerce Executive Committee, Business Leadership Council, Museum of Science & Industry Black Creativity Advisory Board and the Quad County Urban League, Board of Directors.
